

Four Star Equestrian Training and Showing Co-op:

Welcome!

Four Star Equestrian and Hidden Hollow Farm would like to introduce our new Training and Showing Co-op program. We are launching a unique cooperative opportunity for HHF students to experience showing and training on Show Horses and Ponies without the pressures of owning and leasing. Students at Hidden Hollow Farm may now retain a quality Local or Premium Show Horse or Pony for your training and showing needs.

You may retain a Show Horse/Pony for 3, 6, OR 12 months.

Retainers give you a selected Show Horse/Pony to lesson and show on for a fraction of the costs associated with owning and leasing a Show Horse.

You may select a quality Local or Premium (selected horses and ponies only) retainer schedule. There are no additional costs associated with your retained Show Horse/Pony except your costs associated with showing your retained Show Horse/Pony. A Premium Show Horses/Pony may be shown in USEF "A" rated divisions and Finals. Local Show Horses/Ponies schedules can be shown at USEF un-rated Finals, Divisions, and Ma. and New England A" rated shows or beginner divisions.

Any student who has retained a Premium Show Horse/Pony will have the first right of refusal for continuation in the Co-op program among other choices including their next Show horse or Pony. Client longevity into the Co-op program determines all other factors.

Retainers are NON- REFUNDABLE but in most cases applicable towards another Show Horse/Pony provided by Hidden Hollow Farm and Four Star Equestrian.

Space is limited on each individual Show Horse/Pony. First come first served basis. Horses/ponies may have multiple students co-oping, however no more than two students (separate divisions) per horse show. Students who retain a PREMIUM schedule always have priority. One PREMIUM schedule per Show Horses/Ponies who qualify.

All Co-op horses/ponies showing and training schedules will be managed by Amy Gurney (Four Star Equestrian).

FSE reserves the right for all final decisions. This is a non-contractual agreement. Choose your level of commitment.

Any new Show Horse/Pony entering into the Co-op program after Dec 1st will be per diem for the remainder of the 3, 6 or 12 month block.

Local or Premium Status and schedules are subject to change upon completion of each 3, 6 or 12 month retainer.

*Please call to inquire about our current list of available Co-op Show Horses and Ponies.

* Please call Amy Gurney for more information and if you want your show horse/pony accepted into our new Training and Showing Co-op program.
